- Hardened steel cutting blade

- Front and rear safety covers

- Geared clamping system

FORMAX®

www.formax.com

The **Cut-True 115M Manual Paper Cutter** combines accuracy with safety and user-friendly features. Using its **hardened-steel Guillotine blade** and **lever-activated blade arm**, it has the strength to cut through paper stacks up to 2.15" high and 16.9" wide. The **LED Laser Line** shows operators exactly where the blade will cut, and the **spindle-guided back gauge** and calibrated scales allow for precise adjustments. Safety is also a top priority with **front and rear plexi covers, blade lock, external blade depth adjustment, blade change safety tool,** and a **wooden paper push for safe alignment**. These features are all housed in a rugged all-metal stand with feet for tabletop use.
Rugged All-Metal Stand
*Also includes table top feet so you can cut anywhere*

Geared Clamping System
*Large clamping wheel easily keeps paper in place for accurate cutting*
