The versatile **6406 Series** can be configured with **2 to 6 stations** for flexibility, with various input configurations: a **high-capacity document feeder**, **1 or 2 high-capacity production feeders**, standard and special feeders, **thin booklet feeder**, and **short feed trays**. Standard features include a **7" full-color touchscreen**, **high-capacity vertical output stacker**, **top-loading envelope hopper**, **AutoSet™** one-touch setup, and **up to 50 programmable jobs**. It's powerful enough to fold up to 10 sheets (half fold) or up to 8 sheets (tri-fold) at one time. Documents requiring inspection can be delivered automatically to the **divert station**. An optional CIS Scanner reads OMR, 1D, 2D, QR codes, and OCR printed anywhere on the page.
