High Security Performance with Fully-Automatic AutoOiling System...

The **FD 8650HS High Security AutoOiler** offers security and reliability, with the **EvenFlow™ automatic internal oiler** that lubricates the cutting blades for optimal performance. Evaluated by the NSA, it meets the requirements of NSA/CSS specification 02-01 for **P-7 high security** cross cut shredders, and **shreds up to 24 feet per minute**. The **extra wide feed opening** handles documents up to 16" wide. Commercial-grade features include a **user-friendly LED control panel with load indicator, heat-treated steel blades, a steel cabinet, lifetime guaranteed waste bin, and a powerful AC geared-motor** ensuring years of reliable performance.

User-friendly Control Panel
*Auto Start/Stop/Reverse, Full Bin Indicator, Load Indicator*

Commercial Grade
Heat-treated solid steel cutting blades, all metal gears, & an AC geared motor

Automatic Oiling System
EvenFlow™ Automatic Oiling System lubricates blades for peak performance
